FOR IMMEDIATE RELEASE

Sedgwick County Health Department Health Station Temporarily Closed

(Sedgwick County, Kansas) – The Stanley Health Station and the Stanley Women Infant and Children (W.I.C.) program will be closed from March 13 – 21, 2003. However, Stanley W.I.C. vouchers can still be picked up during the usual dates and times at the Aley Park Recreation Building, 1749 S. Martinson.

While the Stanley Health Station is closed, services can be obtained at the main Sedgwick County Health Department, 1900 E. Ninth or at any of the seven other health stations the Sedgwick County Health Department operates. A list of the health stations is attached.

“We want to provide the best and most convenient services to our citizens,” said Sedgwick County Commission Chairman Tim Norton. “We want everyone to know that these important health services are still available to them while this station is closed.”
